To: Dan Wendt, City Manager
From: Steve Clark, Parks & Recreation Director
Subject: ODNR NatureWorks Grant Agreement
Date: January 9, 2023

I am hereby requesting City Council to approve a resolution authorizing the City Manager to enter into a local assistance grant agreement with the Ohio Department of Natural Resources for NatureWorks Grant Funds for the construction of a restroom structure at Robinette Park. The grant award process requires a resolution by City Council to allow the City Manager to enter into an agreement for the approved \$61,052.00 grant.

The proposed project includes a restroom building that will meet the needs of all segments of Vandalia's population. The building will include a men's and women's restroom along with a family/special needs restroom, which includes an adult changing station, along with baby changing stations. The facility will be ADA accessible and inclusive in nature. With a goal of accessible and inclusive parks, the Robinette Park restroom building will be the first step in providing a park that provides top tier amenities and services to all residents in our community. The next step in the process will be the installation of an inclusive playground at Robinette Park using American Recovery Plan Act funding.

The total estimated cost for the entire project is not to exceed \$300,000 and we are receiving a grant in the maximum Montgomery County allotment of \$61,052 from the ODNR NatureWorks Grant program. The remaining balance of funds for the project has been approved in the 2023 capital improvement budget. Thanks for your time and consideration with this request.
