RULES AND FORMAT:

1. Each team member will hit 4 balls from 50 yards or beyond. A total of 16 balls per team will count towards the team score. All 16 balls will receive a score based on the location the ball comes to a rest.

2. The green will be divided into zones and each ball that comes to a rest on the green will be awarded the corresponding points for the zone it is located (zone 1 = 100 points; zone 2 = 200 points; zone 3 = 400 points; zone 4 = 1000 points). Balls coming to a rest outside of the marked zones will automatically receive a score of 0 points. Balls that bounce into one of the tubs will be rewarded 2500 points. Balls that land directly in one of the tubs will be rewarded 5000 points.
3. A complete swing and miss of a ball will not count as a hit. Contact of a ball will count as one hit.
4. Each TEAM will have the opportunity to use ONE (1) Mulligan to negate/exchange their worst shot. Teams do not have to count the score of the Mulligan if it does not benefit them. If the Mulligan scores better than one of the 16 balls hit, then they can eliminate the worst scored ball and take the points from the Mulligan.

Zone 1 = 100 pts.
