

THE BLUE LETTER

333 James E. Bohanan Drive • Vandalia, OH 45377 • (937) 898-5891

March 4, 2022

Honorable Mayor Herbst & Esteemed City Councilmembers:

Acting City Manager: Chief Althouse will be the Acting City Manager from 5 pm today through 11:59 pm on Sunday, March 6, 2022.

I love this city.

This week, Parks & Recreation Director Steve Clark presented to the Vandalia Rotary Club about the ongoing Parks & Recreation Master Plan process. Soon we will be formulating the statistically valid survey for Vandalia residents and the online convenience survey that is open to everyone. There is going to be tons of engagement – including park-to-park community meetings. Director Clark highlighted the grant funds that he has obtained and how strategic partnerships will be leveraged to improve quality of life in Vandalia. The presentation was well-received. As the weather breaks – we look forward to getting the new restroom facility constructed at “the turn” on the golf course. I also got to know local realtor Brandon Weiss over coffee at Warehouse 4.

A highlight of the week was meeting the candidates for the Executive Assistant / Deputy Clerk of Council vacancy that was created when Mrs. Pruszyński became the Human Resources Manager. I will say, we have some top-notch candidates who have a great public service perspective. You are not going to be disappointed.

Fire Division Statistics: In February, the Division of Fire ran on about 8 calls per day. If you are the person who is dialing 911 for assistance, it is important to note that 81 of the 237 calls – 34% - overlapped with another call for service. Today, the City held first-round interviews to backfill two full-time Firefighter / Paramedic / Inspector vacancies. As a team, it will be important for us to consider potential staffing models, funding offsets, and the optimal balance of services that we seek to provide this beautiful community. I have enclosed the run statistics report from Chief Follick.

Image of Top-Tier Service:

This Joseph Airport Hyundai Facebook post about Sergeant Nagel and Police Officer Clymer is an example of what City of Vandalia employees should be striving to do at any given time. Ownership, critical thinking, and empathy are part of the brand.

Spring Retreat:

We will hold a spring retreat on May 9, 2022. The retreat will begin at 4 pm. The purpose of the retreat is to ensure that our team's outputs align with the strategic policy directives that have been set by City Council. I will share more details as the date draws near.

Teamsters Factfinding Report: The City has received the Teamsters factfinding report. The report does not become a public record until it is published by the State Employment Relations Board (SERB) after a ratification vote by the Union and consideration by City Council. Council has the option to take no action (tacit approval), vote to approve, or vote to reject the report. I will then certify the results to SERB following Council's decision. On Monday, I will brief Council on the report in executive session. The factfinder's recommendation represents a fair compromise and I believe that my recommendation will be that Council vote to approve the factfinder's recommendation.

House Bill 519: I have enclosed a Legislative Service Commission analysis of H.B. 519 which is currently pending with the House Ways and Means Committee. This bill limits the penalties that may be imposed on a taxpayer for failing to timely file municipal income tax returns and also limits the circumstances under which municipal income tax inquiries or notices may be sent to a taxpayer subject to a filing extension. These appear to low-threat but exemplary of small cuts that the State of Ohio is taking to erode local control and home rule authority.

Commercial Truck Traffic: This week, I met with Mr. Mike Dittoe to discuss strategy for advancing the build out of the \$20 million ring road (Lightner-Dixie-Northwoods). This project is being spearheaded by Montgomery County Engineer Paul Gruner's office. The project will be primarily funded by ODOT TRAC grants. We are currently in the process of scheduling a meeting with Congressman Turner's office as we leverage our PDAC project "priority" rating to pursue \$1.3 million in funding for right of way acquisition to accelerate the project timeline.

In addition, I met with City Manager John Applegate to discuss economic development strategies, impacts relating to commercial truck traffic, and to build support for the ring road project. Mr. Applegate

Vandalia Police Department was mentioned in a post

Joseph Airport Hyundai · Follow

23h · 🌐

...

While we certainly love being a part of the Vandalia, Ohio community, we are even more appreciative of the wonderful people who make it up - especially the Vandalia Police Department.

Yesterday, we were notified by them that one of our transports for a new shipment of Hyundai vehicles was involved in a minor accident on a nearby roadway as they were headed to our store. Because of this quick call to us, our employees were able to get over to the scene of the accident and pick up every single new unit and get them back to our lot. All of the vehicles were undamaged as well thankfully.

Many of these vehicles had to be pre-ordered far ahead of time by our customers due to the current chip shortage. Had we not been notified as quick as we were to get over to the scene and get them moved, we likely would not have seen these vehicles for awhile as they would have likely been towed and/or impounded. The officer who was kind enough to reach out to us did not have to do this. Fortunately for us, that's what happens when you're part of a great community like the City of Vandalia. When he called us, he let us know about the accident and then told us he was aware of the current inventory shortage due to the chips and just wanted to make sure our vehicles got to the dealership safely.

Again, the officer did not have to make this call to us...but he did.

We very much appreciate being a part of this great community. Thank you from the Joseph Airport Hyundai Team.

stated that the City of Union would express support and endorse funding for the project to our state and federal officials.

Finally, I briefly met with Mr. Richard Oaks to discuss truck traffic, the sale of his property where the new Legrand facility will be located next to his home within the corporate limits of the City of Union, and options that the City of Vandalia might take to lessen the overall impact of truck traffic.

Our Study Session will begin at 6pm on Monday. This combination meeting will be available in person and via teleconference. Please consider the following:

Study Session

Monday, March 4, 2022 Items

1. Verify items on the agenda.

Monday, March 21, 2022 Items

1. **Resolution: Emergency Management Jurisdictional Agreement** – Approval of this agreement will authorize Montgomery County to provide its emergency preparedness, homeland security and emergency management services to the City of Vandalia. The annual cost for these services will be determined by a representative executive committee and then approved by the Montgomery County Board of Commissioners.
2. **Resolution: Patrol Vehicle Equipment** - The Police Division opened bids on February 24, 2022, for the purchase and installation of new equipment for three new Ford Utility Interceptor police vehicles. The 2022 budget for this project is \$54,285. I am requesting Council consider awarding the bid to K.E. Rose Company submitting a bid of \$51,363. K.E. Rose LTD. has been instrumental in guiding the Division towards the latest and most reliable technology. K.E. Rose LTD is an established company with the resources to purchase the equipment and complete the installations on all three police vehicles without requiring payment prior to completion. Remaining funds will be used for the installation. Their facility is in good order and the K.E. Rose technicians are professional. The remaining budgeted funds, \$2,595, will be used for payment to Fast Signs for the decals and graphics work involved with the three new patrol vehicles. I further recommend City Council declare any old equipment not compatible with the new Ford Utility Interceptors as surplus equipment to be placed on GovDeals or otherwise disposed of by the City Manager as provided by law.
3. **Resolution: Verizon Service Agreement** - The City of Vandalia utilizes Verizon Wireless as the primary provider of cellular service, which includes cellular data connections for fire and police computers, cellular phones, tablets, and wireless hot spots, totaling 64 lines of service. The majority the city's cellular devices are carrier specific, meaning that they cannot be switched to another carrier unless they are replaced. The City has received excellent service from Verizon and believe that they are the best solution for the city. We can purchase Verizon cellular services at a competitive rate on the General Services Administration (GSA) Federal Supply Schedule 47QTCA20D00B5. In order to utilize the GSA pricing, Verizon requires that we sign a purchase order document that indicates our intent to purchase from the GSA contract. The agreement outlines an estimated cost and number of lines, which allows us to purchase services for an amount not to exceed the amount indicated on the funding document. We estimate the annual costs associated with these services will not exceed \$39,560. I am recommending that council waive formal bidding for the city's cellular service and authorize the City to purchase cellular service and devices from

Verizon Wireless for services covered on the General Services Administration (GSA) Federal Supply Schedule Number 47QTCA20D00B5 for an amount not to exceed \$39,560 for the period of March 21, 2022 through March 20, 2023.

4. **Resolutions: Purchase Five Yard Dump Truck** – This item will require two resolutions, one for the cab & chassis and another for the upfit equipment. We currently have a total of 4 single axle dump trucks and 3 tandem axle dump trucks. For snow & ice operations we use all single axle and 2 of the tandem axle trucks. The remaining truck is used for hauling spoils from water main breaks, hauling gravel and other general use purposes through the winter. Our six snow & ice vehicles are responsible for clearing over 210 lane miles of roadway during the snow & ice events. Keeping our fleet current and dependable plays a major role in meeting the **Safe and Secure** city wide policy goal. The dump trucks are used throughout the year on a daily basis moving spoils, hauling brush, gravel, asphalt and general maintenance. The City purchased two single axle and two tandem axle trucks in 2014 because we were behind on our replacement cycle. Service Director Cron is recommending the city revert to staggering the replacement as to not have such a huge expense in any one year. The Cab & Chassis for proposed truck is available at the State of Ohio contract price of \$91,410.46 from Rush Truck Centers of Vandalia. The Upfit with snow & ice equipment is available at the Sourcewell cooperative bidding price of \$130,007.00 from K. E. Rose Company. I recommend we purchase the Cab & Chassis from Ruch Truck Centers and the Upfit w/Snow & Ice Equipment from K.E. Rose Company at the respective prices. The total purchase is \$221,417.46 which is \$1,417.46 over the amount appropriated. Staff plans to cover the funds from an excess of money budgeted for the message boards, \$5,534.00. This will cover the \$1,417.46 over expenditure for these two items. Finally, staff will also request the that Council declare the current 2008 truck surplus and dispose of on Gov-Deals.
5. **Resolution: Appointment of a City of Vandalia Representative to the Joint Economic Development Zone** - This resolution appoints representatives to the Butler Township Miller Lane Business District JEDZ Board and the Butler Township Miller Lane Hotel District JEDZ Board. Resolution 20-R-70 appointed the City Manager, the Human Resources Manager, and the Assistant City Manager to the JEDZ Board. I am asking Council to consider the appointment of the City Planner position. This position is better suited for the appointment to said board as it directly relates to economic development and planning of the Miller Lane Business District. As a secondary consideration, this change will proactively eliminate concern for any potential conflicts of interest. The JEDZ agreement provides for the receipt and dispersal of all tax collections on behalf of the Butler Township Miller Lane Business District JEDZ and the Butler Township Miller Lane Hotel JEDZ by the City of Vandalia Finance Department.
6. **Ordinances: Amending the Codified related to various Development & Engineering Services Fee Schedules** - I am proposing to update the fee schedule for DES. This would include all building permit fees, zoning fees, misc. permit fees and water/sewer tap fees. The Building fees were last updated in 2015. The tap fees have not been updated since 2004. The last updates on any zoning were 2004 as well. Mr. Cron will present a detailed presentation on the new and improved fee schedule that considers future development. I also plan to propose a \$1 per square foot infrastructure fee that will be used for water, sewer, roadways, and debt service related to infrastructure. This is a common practice that is used to capture and account for expenses related to the initial impact such developments. I will ask that Council consider passing these modifications as an emergency at the next regular meeting.

Discussion Items

1. **Traffic Signal Preemption Devices at Stonequarry – Dixie and Peters – National Rd.** – Preemption devices change traffic lights to give emergency vehicles a green light and cycle all other directions to red during an emergency. This improves safety for the public and our first responders by reducing the likelihood of collisions during an emergency and it improves response times to 911 calls. This proposal aligns with the *Safe and Secure* policy goal and would allow for preemption devices to be installed at the intersections listed above. Public Service Director Cron has received a quote for retrofitting this intersection with preemption, the total cost would be \$28,894.03 for the two intersections. I propose that Stonequarry-Dixie be installed with unspent American Rescue Plan funds and that the City consider leveraging unspent highway funds to fund the upgrade to the other intersection later this year as phase II and phase III of this project.
2. **60-Day Calendar** - The calendar is included in your packets for your review.

Monday, March 4, 2022 Council Meeting

Resolutions

1. **Resolution 22-R-18: Fire - Breathing Air Compressor/Fill** – The Division of Fire is recommending the replacement of its 1972 breathing air compressor, as it has reached the end of its useful life. The Division of Fire budgeted \$50,000 for this project. In anticipation of an SCBA replacement project (by grant award hopefully) in 2023 the Division of Fire will also need to include the replacement of its current SCBA fill station in this project as the current fill station will not meet the needs of new SCBA cylinder pressures in the future. The Division of Fire included \$50,000 in capital funds to complete this project in 2022. The Division of Fire advertised this project, sent out three bid specification packets to local/regional vendors that we knew could provide this equipment and on Monday, February 14, 2022 the Division of Fire held a public bid opening at Fire Station 1. We received two bid proposals as follows:

Vendor	Primary Bid	Alternate Bid
Atlantic Emergency Solutions	\$53,224.75	\$1334.00*
Breathing Air Systems	\$58,708.36	\$46,769.74

Breathing Air Systems, a company that has been the City's breathing air service provider for many years, submitted a primary bid based on the specifications, which called for a full enclosed compressor, and they submitted an alternative to the primary bid which was the exact same compressor but in an "open" configuration. After careful review of each submission, the Division of Fire recommends that City Council award this project to Breathing Air Systems of Reynoldsburg Ohio, for the lowest and best (alternate) bid amount of \$46,769.74 and asks that City Council declare the Division of Fire's current breathing air compressor and fill station surplus and allow to place this equipment on GovDeals for disposal.

2. **Resolution 22-R-19: Concrete Bid** – Bids were opened publicly for the Removal and Replacement of Certain Curbs and Sidewalk on Tuesday February 15, 2022. Three sets of specifications were issued, and all three contractors submitted bids for the project. Bids ranged from \$382,907.00 to \$424,738.50. Our estimate for the project was \$443,000. This project along with our street resurfacing project is a major part of the City's *Enhance Infrastructure* policy goal. Not only are we replacing deteriorating section of curb and sidewalk, the City will be installing ADA Compliant handicap ramps at each intersection of the streets we will be resurfacing this year. I recommend awarding the contract for this project to D.L. Smith Concrete, LLC of Norwalk, OH as the lowest and best bid at their bid price of \$382,907.00.
3. **Resolution 22-R-20: Motorola Annual Service Agreement** – In 2016, Vandalia Division of Police purchased new Motorola radio consoles during an upgrade and remodeling of the Communications Center. Vandalia Division of Police utilizes Motorola Solutions for maintenance and service of the MCS7500 radio consoles and equipment utilized in the Communications Center. Motorola Solutions' Astro 25 Advanced Plus Services provides an integrated and comprehensive sustainment program for fixed end network infrastructure equipment, including cybersecurity products and services. The 2022 annual service and maintenance agreement is \$29,989.40. VPD budgeted \$29,622.00 for this annual maintenance agreement. We will be utilizing \$367.40 from the same line item (110.231.5272) to cover the overage billed. I, respectfully, request that competitive bidding be waived, and we continue to contract with Motorola Solutions to provide maintenance and service for the radio consoles and equipment in VPD's Communications Center.
4. **Resolution 22-R-21: Authorizing the City Manager to Negotiate an Agreement for Brokerage and Consulting Services** – This proposal does not modify current employee benefits provisions or plans. Over the last year, I have met with several firms to consider whether the City should migrate its brokerage services for health, dental, and ancillary services. After extensive research, I have determined that it is in the interest of the taxpayers, City organization, and employees to migrate our brokerage and consulting services.

Reports from Boards and Commissions

1. **Variance for an Audible Device within 150' of Residences: 335 S. Dixie Drive (Warehouse 4)** – The Applicant and building owner, Bison Commercial Investments, has requested a variance to allow for an audible device within 150' of a residential dwelling unit. The proposal is to construct an audible device and menu board approximately 125' from the nearest residential dwelling unit on the southern side of the building. The Board of Zoning Appeals voted 4-0 to recommend approval of the requested variance to City Code Section 1224.01 (e)(8)(A) "Drive-Through Facilities", to allow for an audible device within 150' of a residential dwelling unit.
2. **Variance: Deck Setback – 1144 Rexford Court** - The Applicant, Kyle Leber, has requested a variance to allow for a screened-in deck within the rear yard setback of 35'. The proposal is to construct a screened-in deck within the rear yard approximately 29' from the rear property line and replace the existing uncovered deck. The deck is said to be at the end of its useful life and currently maintains a setback of 27.7' from the rear property line. The Board of Zoning Appeals voted 4-0 to recommend approval of the requested variance to City Code Section 1226.04 Table 1226-1, to allow for the

reduction in the minimum rear yard setback as proposed within the attached site plan.

3. **Variance: Solar Panels - 375 Halifax Drive** - The Applicant, Ace Thompson, Fluent Solar, has requested a variance on behalf of Luther Blakley, property owner, to allow for 9 solar panels on the front face of the roof which faces a right-of-way, Halifax Drive. The Applicant stated in their letter of justification that if the panels were moved to the back of the home, the North side, the efficiency of the panels would drop by 50%. The Board of Zoning Appeals was split 2-2 on recommending denial of the requested variance to City Code Section 1224.01 (e)(24)(E)(ii) "Roof-Mounted Solar Energy Systems", to allow for 9 solar panels to face a right-of-way, Halifax Drive.

The **March 7** Study Session and City Council Meeting will be a hybrid (in-person & remote) meeting in Council Chambers. The meeting is open to Council, staff, and the public to attend in-person or virtually through [Zoom \(LINK\)](#). **The study session will begin at 6:00 pm followed by the City Council Meeting at 7:00 pm.**

Please contact me directly with comments and questions.

Very Respectfully,

Dan Wendt
City Manager

To the Chief of the Vandalia
Police Department —

I want to thank those
officers for their quick
& speedy arrival to our
house on the morning
of Tuesday, 22 Feb 2022
when we were struck
by lightning causing
extensive damage.

It was a very
scary event, but the

thoroughness & kindness
of the officers who
arrived to ensure we
& our property were safe
is very much appreciated.

Please extend our
heartfelt appreciation
to those policemen who
arrived on scene.

Thank you! Thank you!

ANEMONE

By Pierre Joseph Redouté, *Anemone Simplex*, from *Choix des Plus Belles Fleurs*, published in Paris, 1827. Redouté, master flower painter of the 19th century, created his *Most Beautiful Flowers* after six intensive years. He used skill and technique to depict flowers as they were in nature, creating a real-life image of the color, texture and beauty of the flowers. The *Anemone* is a great example of this masterful work.

MONTHLY STATISTICS MEMORANDUM

TO: ALL PERSONNEL
FROM: CHAD FOLLICK, FIRE CHIEF
SUBJECT: STATISTICS FEBRUARY 2022
DATE: 3/4/2022
CC: DAN WENDT, CITY MANAGER

CALLS FOR SERVICE

The Division of Fire responded on 237 calls for service in February (158 EMS calls and 79 fire calls). An average of approximately eight 8 calls for service per day.

A statistic that we can track now is how many of our calls for service overlapped (or occurred simultaneously) during this evaluation period. In February, we had 81 calls for service that overlapped, approximately 34% of the call volume.

Crews responded to 237 calls for service in February the chart below outlines call types (Report 553):

The Major Incident Types in February were:

1. Rescue & Emergency Medical Calls (67%) - All the Division of Fire Emergency Medical calls including any motor vehicle/pedestrian accident (with/without injuries) and/or any technical rescue response.
2. Customer Service Calls (10%) - These are calls for service where fire crews are directly assisting a customer with a specific issue/problem (i.e., strange odors, smoke detector/CO detector installations and/or battery change outs, etc.).
3. Good Intent Calls (11%) - Smoke scares, steam/fog mistaken for smoke, false alarms not malicious.
4. Fire Alarm Calls (9%) - This type call includes malfunctioning fire alarms, intentional/unintentional false alarms, or calls where someone called to report an issue that turned out to not be an emergency (illegal burning, smells/sight of smoke or fire, or steam confused for smoke).
5. Fires (2%) – Crews responded to (1) structure fire & one passenger vehicle fire in February. The total fire dollar loss reported for these two fires was **\$3958.00**
6. Hazardous Condition (2%) - These are calls for service where fire crews are responding to natural gas/CO investigations, fuel/oil spills, and/or arching or downed electrical lines.

MUTUAL AID/JOINT RESPONSE DATA (1616 & 1754)

In February, the Division of Fire provided mutual aid on **(16)** occasions and we received mutual aid on **(6)** occasions.

In February, we received a “joint response” from Butler Fire/EMS on **(38)** occasions and we provided Butler with a “joint response” resource on **(23)** occasions.

Department	Mutual Aid Received (1616)	Mutual Aid Provided (1754)	Joint Response Received	Joint Response Provided
Butler Fire (57-101)			38	23
Brookville (57-003)				
Clayton Fire (57-121)				
Dayton Fire (57-011)		2		
Dayton Airport (57-002)				
Englewood (57-001)	1			
Harrison Fire (57-107)		5		
Huber Fire (57-125)	4	6		
*Riverside Fire (57-115)				
Union Fire/EMS (57-122)				
Trotwood Fire (57-113)				
Tipp Fire/EMS (55-027)	1	3		
Totals	6	16		

RESPONSE TIMES

The average turnout time in February was 1:30 and the average response time in February was 6:14.

We continue to analyze turnout and response times and to implement improvements that we hope can get us into a response time that is more consistent with our goal of 5.5 minutes (max).

Turnout Times EMS Calls For Service By Fire Stations

Turnout Times Fire Calls For Service By Fire Stations

CALLS FOR SERVICE BY DISTRICT (Report 972)

CALLS FOR SERVICE BY FIRE STATION (Report 1180)

TRANSPORTS BY MEDIC UNIT/MONTH (1645)

TRAINING (Reports 1623)

Fire/EMS crews participated in **142** hours of training in February, topics included:

1. EMS Topics-Advanced Cardiac Life Support (ACLS), CPR, and Pediatric Emergencies
2. Fire Topics- Officer Development
3. Special Operations- Ice Rescue and Water Rescue

Bill Analysis

Version: As Introduced

Primary Sponsors: Reps. Roemer and Lanese

Zachary P. Bowerman, Attorney

SUMMARY

- Limits the circumstances under which municipal income tax inquiries or notices may be sent to a taxpayer subject to a filing extension.
- Limits the penalty that may be imposed on a taxpayer for failing to timely file municipal income tax returns.

DETAILED ANALYSIS

The bill makes two changes to the administration and enforcement of municipal income taxes, whether such taxes are remitted to and administered by a municipal corporation or the Tax Commissioner. Under continuing law, taxpayers generally report and remit municipal income tax to municipal tax administrators, but a business may elect to report and remit municipal net profits taxes to the Department of Taxation, which then disperses payments to each municipality to which such tax is owed.¹

First, the bill limits when a municipal tax administrator or the Commissioner may make inquiries or send notices to taxpayers whose tax filing deadline has been extended. Second, the bill limits the monthly penalty that may be imposed for failing to timely file a municipal income tax return. Both changes apply to taxable years ending on or after January 1, 2022.²

Prohibited inquiries and notices

Under current law, the due date of a taxpayer's municipal income tax return, whether filed with a municipality or the Tax Commissioner, may be extended under various circumstances, including any of the following:

¹ R.C. 718.80, not in the bill.

² Section 3.

- The taxpayer has requested an extension for filing their federal income tax.
- The taxpayer has requested an extension from the municipal tax administrator or Commissioner.
- The Commissioner extends the state income tax filing deadline for all taxpayers.

When a taxpayer receives an extension, the bill prohibits a municipal tax administrator or the Commissioner from sending any inquiry or notice regarding the return until after either the taxpayer files the return or the extended due date passes. If a tax administrator sends a prohibited inquiry or notice, the municipality must reimburse the taxpayer for any reasonable costs incurred in responding to it. If the Commissioner sends such an inquiry or notice, the taxpayer's costs are reimbursed from the GRF.

The bill does allow a municipal tax administrator or the Commissioner to send such an inquiry or notice if either has actual knowledge that the taxpayer did not actually file for a federal or municipal income tax extension.³

Penalty limitations

The bill also limits the penalty a municipal corporation or the Tax Commissioner may impose for the failure to timely file a municipal income tax return. Currently, a municipal corporation may impose a penalty of \$25 for each month a taxpayer fails to file a required income tax or withholding return, up to \$150 for each return. The Commissioner may impose the same monthly penalty on those unfiled returns as well as on unfiled estimated tax declarations. The bill limits the cap on these penalties to 50% of the unpaid tax, if that amount is less than \$150.⁴

³ R.C. 718.05 and 718.85.

⁴ R.C. 718.27 and 718.89.

American Rescue Plan Act - State and Local Fiscal Recovery Fund Program
Non-Entitlement Units of Local Government
Payments from First Tranche - March 1, 2022

This is a listing of all eligible non-entitlement units (NEUs) of local government and their status to receive funds passed-through the state in accordance with the American Rescue Plan Act, State and Local Fiscal Recovery Fund program. This listing includes both the initial first tranche payment and the subsequent reallocation payment. NEUs that did not exceed the 75% budget cap were eligible for a subsequent reallocation of remaining funds from unresponsive NEUs up to the budget cap amount.

Notes-

- 1) Indicates whether an entity completed the application process (Y), did not complete the application process (N), or elected to transfer the allocation to the state (T).
- 2) Total allocation calculated in accordance with Treasury's Guidance on Distribution of Funds to Non-entitlement Units of Local Government. The total potential allocation is prior to the U.S. Treasury required limit that an NEU allocation cannot exceed 75% of the entities total budget.
- 3) The second tranche payments will be distributed after the State of Ohio receives the second allocation from the US Treasury. The minimum second tranche amount is based on the initial payment amount according to the Treasury guidance and is adjusted for rounding. At this time, Treasury has not yet provided guidance to indicate if the reallocation payment will be included in the total second tranche funds. If so, the second tranche will increase to include the reallocation payment amount. According to U.S. Treasury guidance, entities that did not complete the application process for the first tranche of funds are ineligible to receive the second tranche funds.

Entity Type	County	Entity Name	Completed Application Process (1)	Total Potential Allocation - Subject to 75% of Budget Test (2)	Initial Payment Amount (First Tranche)	Reallocation Payment Amount (First Tranche)	Minimum Second Tranche Amount (3)
Municipality	Adams	Village of Manchester	Y	\$ 204,788.32	\$ 102,394.16	\$ 408.78	\$ 102,394.16
Municipality	Adams	Village of Peebles	Y	\$ 179,857.57	\$ 89,928.79	\$ 359.02	\$ 89,928.78
Municipality	Adams	Village of Rome	N	\$ 9,951.35	\$ -	\$ -	\$ -
Municipality	Adams	Village of Seaman	Y	\$ 93,752.20	\$ 46,876.10	\$ 187.14	\$ 46,876.10
Municipality	Adams	Village of West Union	Y	\$ 331,118.10	\$ 165,559.05	\$ 660.95	\$ 165,559.05
Municipality	Adams	Village of Winchester	Y	\$ 105,379.57	\$ 52,689.79	\$ 210.35	\$ 52,689.78
Township	Adams	Bratton township	Y	\$ 148,327.50	\$ 74,163.75	\$ 296.08	\$ 74,163.75
Township	Adams	Brush Creek township	Y	\$ 125,072.76	\$ 62,536.38	\$ 249.66	\$ 62,536.38
