

# Reporting a streetlight outage.

Reporting a streetlight outage is easy.

Click the link below:

<https://lightingsimplified.com/report-outage/>

If you are a first time user, you will need to create a user name and password. It's fast and easy.

Click "New User," then create a user name and a password.

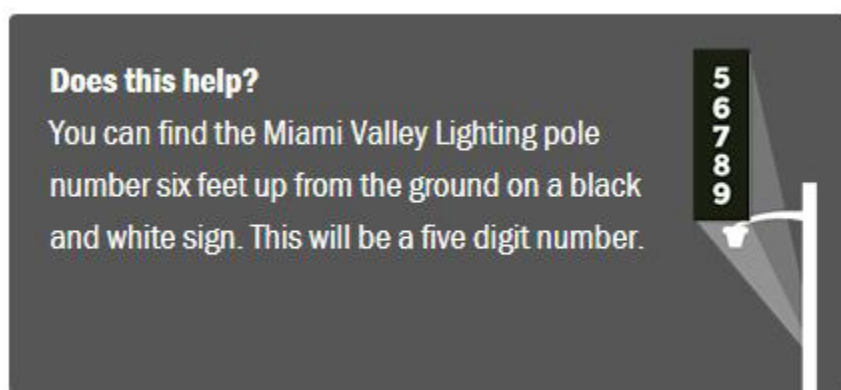

To report an outdoor or streetlight outage, please be prepared to provide the following information:

Type of Outage:

- Light out
- Light cycling, or turning on and off
- Streetlight wire down
- Pole down
- Other maintenance issue. Example: pole or globe leaning
- Light Location
- Pole number
- OR
- Street address closest to the pole and zip code\*

\*Address and zip code must match USPS validation to successfully report over the phone.

You can find the Miami Valley Lighting pole number six feet up from the ground on a black and white sign. This will be a five digit number.

Use the pull-down menus, then fill in the blank fields with the necessary information and the outage will be addressed.
