If you are in a traffic accident that causes injuries or more than \$1,000 property damage, you may file a MOTOR VEHICLE CRASH REPORT with the Ohio Bureau of Motor Vehicles. File the MOTOR VEHICLE CRASH REPORT within six months after the accident if both the following apply: (1) There was any personal injury or there was property damage in excess of \$1,000, and (2) the driver or owner of the other vehicle did not have insurance or other financial responsibility coverage at the time of the accident. The Bureau of Motor Vehicles CRASH REPORT is different from the report prepared by law enforcement officials at the scene of the accident.

The MOTOR VEHICLE CRASH REPORT helps the Bureau to determine whether the other driver is insured or otherwise financially responsible and to take action if the driver/owner is not.

You can obtain a MOTOR VEHICLE CRASH REPORT from the police, your insurance agent, or the Safety Responsibility Division of the Ohio Bureau of Motor Vehicles, P.O. Box 16520, Columbus, Ohio 43216-6520.
