Pumpkinpalooza

Let's have some fun this Halloween season by giving your neighborhood a "gourd"geous ghostly glow!

Step One - Carve your Pumpkin and give it a spooktacular Jack-O-Lantern face!

Step two - Put a candle inside and place your Jack-O-Lanterns in the front of your home.

Step three - Carve out some time to stroll the neighborhood and check out your neighbor's pumpkins on October 29 and October 30.

Step four - Be sure to tag your Pumpkinpalooza 2020 photos on Instagram, Facebook and Twitter!
